- » About the wild and big dreams of an impatient baby in the belly
- » A funny and imaginative counting book
- » A book to cherish, to give to a pregnant mother, brand-new father or young parent that likes to read to its child

Count along and experience the boundless imagination of a baby who cannot wait to start living!

A tiny human is dreaming. Can you walk when you are one year old, and then go out for ice cream every day? Will you get an elefeatherphant at three years old, swim to New York at five, and write your first book at six? Oh, how fast time flies! And when you're seven years old, can you still go back?
